TOWN MEETING – MARCH 9, 1971

At a legal meeting of the inhabitants of the Town of Barrington in the County of Strafford in said State, the following action was taken on the Town Warrant on Tuesday, the 9th day of March 1971.

The meeting at the Barrington Grade School in Barrington was called to order by the Moderator, E. Richard Rowell, at 10:00 A.M. The polls for voting on Articles 1, 2 and 3 were opened at 10:00 A.M. and closed at 6:00 P.M. At 7:30 P.M. the following action was taken on the Articles of Business:

Number of eligible voters on check list	806
Number of votes cast	356

ARTICLE 1. The following officers were elected:

Selectman for three years	Russell L. Fogg	320 votes
Town Trustee of Trust Funds for 3 years	Frederick N. Timm	21 votes

(Clarence L. Calef received 41 votes and Leon C. Calef received 10 votes for the office of Trustee of Trust Funds, however for personal reasons, they both declined to accept the office.)

Town Auditor for one year	Avis J. Taylor	4 votes
Town Auditor for one year	Clarence J. Garnett	

(Irene Calef received 48 votes, Mary Emhardt received 42 votes, and Eva Stevenson received 22 votes for the office of Town Auditor, however for personal reasons they declined to accept the office.)

Clarence J. Garnett was nominated, seconded and elected to the office of Town Auditor for one year by voters present at the meeting.

ARTICLE 2. It was voted on the question, "Are you in favor of the adoption of the zoning ordinance as proposed by the Planning Board?"
Yes: 165 No: 187

ARTICLE 3. It was voted on the question, "Are you in favor of continuing the three-year term of office for the Town Tax Collector, Town Treasurer and Town Clerk?" Yes: 304 No: 40

ARTICLE 4. It was voted to empower the Selectmen to appoint all other Town Officers. Motion: E. Young

ARTICLE 5. It was voted to raise and appropriate the sum of \$5,500.00 for the support of the town poor, old age assistance, aid to the disabled, and other town charges. Motion: E. Caswell

ARTICLE 6. It was voted that the Town authorize the Selectmen to borrow up to the sum of \$100,000. in anticipation of taxes if necessary. Motion: R. Spinney

ARTICLE 7. A motion was made that the Town raise and appropriate the sum of \$35,000.00 for the maintenance of town roads and bridges. Motion was not carried by the Town.

ARTICLE 7. It was voted that the Town raise and appropriate the sum of \$30,000.00 for the maintenance of town roads and bridges. Motion: M. Peabody

The Selectmen advised that the portion of Province Road running eastward from Witmer's, and the portion of Mallego Road running west from Route 125 which has been tarred in the past are to be resealed, and as much resurfacing of Beauty Hill Road as is possible with the available funds of \$30,000.00.

ARTICLE 8. It was voted that the Town raise and appropriate the sum of \$5,000.00 to be used to replace the wooden bridge on Mallego Road. Motion: R. Spinney

ARTICLE 9. It was voted that the Town raise and appropriate the sum of \$1,444.35 for Town Road Aid, the state share to be \$9,629.02. Motion: A. Garnett

ARTICLE 10. It was voted that the Town raise and appropriate the sum of \$200.00 to be used in cooperation with State and Federal funds for the control of White Pine Blister Rust within the confines of the town. Motion: J. Ramsdell

ARTICLE 11. It was voted that the Town raise and appropriate the sum of \$100.00 for partial participation in the Lakes Region Association. Motion: E. Caswell

The Selectmen advised that the amount of \$100.00 is approximately one-third of Barrington's normal share. Also advertising relative to the Town's 250th Anniversary Observance which could be entered in it should be considered.

ARTICLE 12. It was voted that the Selectmen look into the possibility of an amalgamation between the Barrington Library Association and the Town of Barrington School Library. Motion: E. Sharon

A motion was made that the town raise and appropriate the sum of

\$200.00 for the Library Association. Motion was not carried by the town.

It was voted that the town raise and appropriate the sum of \$500.00 for the Library Association. Motion: H. Taylor

ARTICLE 13. It was voted that the town raise and appropriate the sum of \$225.00 for the proper observance of Memorial Day. Motion: V. Turner

ARTICLE 14. It was voted that the Town Tax Collector's salary be adjusted to one-half of one percent of the total taxes collected. Motion: E. Caswell

ARTICLE 15. It was voted to raise and appropriate the sum of \$2,000.00 in order that the Selectmen be authorized to continue the use of the service of members of the State Tax Commission for the purpose of assessing properties within the town. Motion: E. Sharon

ARTICLE 16. It was voted by the town as inexpedient to legislate. Motion: G. Musler

The Selectmen suggested that this article be inexpedient to legislate since the town approved of Article 15.

ARTICLE 17. It was voted that the town continue its membership in the Rural Health Council and raise and appropriate the sum of \$1,853.00 for the support of the town share of organization's visiting nurse. Motion: D. Berry

ARTICLE 18. It was voted that the town raise and appropriate the sum of \$15,000.00 for the purchase of approximately ninety acres of land adjoining the present dump site in anticipation of a time when State laws will prohibit the disposal of refuse by burning within the town. Motion: E. Colby

ARTICLE 19. It was voted that this article be tabled indefinitely. Motion: E. Caswell

Mr. Douglas Stevenson declared that he wished to go on record as abstaining from voting on this article since he was the elected representative for the Towns of Barrington and Madbury and was an owner of land adjacent to the dump site.

ARTICLE 20. It was voted that the town would approve an ordinance under which persons using the town dump would be required to present

identification. Motion: B. Filieo

ARTICLE 21. It was voted that the town authorize the Selectmen to sell town property. Motion: E. Sharon

The Selectmen explained that there was only one piece of property that they wished to sell for the best interests of the town, namely, the Town of Barrington's share of a piece of land on which the North River Lake Dam is located.

ARTICLE 22. It was voted that the town raise and appropriate the sum of \$2,000.00 to be placed in the hands of the treasurer of the trust funds to be used in financing the Proper Observance of the Town's 250th Anniversary. Motion: E. Seaver

Mr. Dana Caswell, Chairman of the Committee for the Proper Observance of the Town's 250th Anniversary gave the following report:

"The year 1969 was spent choosing a full committee for the Proper Observance of the Town's 250th Anniversary, and also with the help of Mrs. Mary Drew, who joined the committee early in the year, we have started preliminary work on the commemorative coin.

The committee members are as follows:

Dana Caswell, Chairman

Mary Drew, Co-chairman

Russell Hayes, Co-chairman

Clyde Goodrich, Co-chairman

Arlene Calef, Co-chairman

Muriel Leocha, Secretary

Joan White, Treasurer

A formal meeting is planned soon to decide on the heads of the various committees that will be needed to insure a successful anniversary.

Mrs. Drew has been active in researching historical data and we have explored the possibilities of several pre-anniversary sale items, to help defray the cost of the coin.

Any information and/or old pictures of the town that we may have access to, would be greatly appreciated, also we would appreciate having as many volunteers as possible to work on and with the various committees.

ARTICLE 23. It was voted that the Committee for the Community or Civic Building Program in conjunction with the Planning Board and the School Board see what funding is available through the Regional Planning Association and/or State Aid for school building; the selectmen to be empowered to call a special town meeting to be held within three months at which time reports of their findings are to be made. Motion: F. Timm

Prior to the vote on Article 23, Rev. James Frase gave the following report on the preliminary work done by the Committee for the Community or Civic Building Program:

LOCATION COMMITTEE: Two locations

1. Property just south and west of the junction of Rte. 9 and 126 (approx. 15 acres).
2. Property adjacent to the present school recreation area.

BUILDING COMMITTEE: Most economical, practical, and feasible.

Design: Colonial, baked enamel steel finish

Size: Approximately 70' x 120'

Cost: \$48,000.00

What the building would house:

Jr. high school size gymnasium

2 shower-changing areas

Public toilets

Kitchen facilities

Town offices

State area

Utility room

Unfinished game, or meeting room, upstairs

Seating capacity: 900

Cost of interior finishing: \$42,000.00

FINANCE COMMITTEE: The Finance Committee sent letters to New Hampshire Foundations and Trust Funds that included community projects in their resumes. The replies were negative. One letter is still pending which could very well be a source of a low interest loan. The Finance Committee feels that in the light of the value of the facility under discussion, it would be well worth while making the necessary sacrifices to bring it to completion.

THE COMMUNITY CENTER COMMITTEE would recommend that upon the responsible answering of this warrant by the voters of Barrington that the Community Center Facility be integrated completely with the school campus, and activity, and jurisdiction.

ARTICLE 24. It was voted that any action on the Town's Building Codes be left in the hands of the Planning Board. Motion: R. Fogg

ARTICLE 25. It was voted that no action be taken on this article until town meeting next year. Motion: G. Musler

ARTICLE 26. It was voted that the town accept all items in the budget not covered by articles in the warrant with the exception that the

actual revenue from auto permits in the year 1970, \$20,404.48 be used as estimated revenue ensuing for the year 1971 instead of \$18,000.00.
Motion: E. Caswell

It was suggested that the selectmen consider the possibility of notifying all residents by letter of town meeting, public hearings, etc.

ARTICLE 27. The selectmen explained that they did not present in this year's warrant any closing of roads subject to "Gates and Bars" due to a new New Hampshire state law which states that a town need not maintain a Class 6 road under jurisdiction of the town which has not been used for over five years.

It was voted to adjourn at 12:10 A.M., March 10th, Motion:
C. Sawyer.

SPECIAL TOWN MEETING – December 27, 1971

At a legal meeting of the inhabitants of the town of Barrington in the County of Strafford in said State, on December 27, 1971 the following action was taken:

The meeting at the Barrington Grade School was called to order by the Moderator, E. Richard Rowell, at 7:30 P.M.

Due to the fact that a copy of the warrant was not published once in a newspaper of general circulation, within one week of the posting of the warrant, in accordance with RSA 39.4 a motion was made by E. Caswell that the meeting be adjourned. After a discussion on the floor Mr. Caswell withdrew his motion.

ART. 1 and 2. It was voted that Articles 1 and 2 be referred to the warrant at the regular town meeting to be held March 7, 1972. Motion: F. Timm

ART. 3. The following reports of committee members were made regarding a Community Center.

Report of Edward M. Sharon: At the 1970 annual town meeting the Planning Board was requested to determine the availability of federal funds for a community center. Federal, state and regional representatives were contacted. After much discussion it was concluded that Barrington was unlikely to obtain funding for a community center "per se". Priorities are being given to waste disposal, water quality control and housing projects.

To qualify for federal funds administered through the state, communities must: demonstrate an effort to coordinate their planning and they must submit their application to the regional planning commission for review and recommendation.

Barrington is without representation on the Strafford Regional Planning Commission.

Report of E. Richard Rowell: At the present time were all the eligible registered voters to attend town meeting, due to lack of space in the school auditorium, the meeting would have to be postponed until a facility large enough was found in an adjoining town. The need for a town hall which should include town office space is a matter which should be given much serious consideration by all townspeople.

ARTICLE 4.

Mr. Harold Flower reported that as of the year 1980 the State of

New Hampshire will require that all cities and towns have on file an approved land map which will be used for tax purposes. Mr. Flower is organizing a committee of senior citizens, some of whom have served as a town officer, who have a priceless store of information relative to property boundaries. These men plan to develop in the next eight years a land map of the town which will be offered to the State for approval. For the town to contract an outside firm to develop this land map the cost would run into many thousands of dollars.

The selectmen advised that they have received a report which shows that less than one half of one per cent of the ninety acres of land adjoining the present dump site is limited for usage. Due to this favorable report the land will be purchased by the town prior to January 1, 1972.

The Selectmen further reported that articles would be inserted in the March 1972 warrant on Articles 1 and 2 of the Special Town Meeting, on hawkers and vendors licenses, on insurance covering the weeks activities during the 250th Anniversary Observance, on funding for the proposed tax map, and additional funding for the Community Center.

It was voted to adjourn at 10:00 P.M. Motion: E. Sharon

REPORT OF THE BARRINGTON FIRE DEPARTMENT

There were 39 fire calls for the year to which equipment responded. These included three car fires, four accidents, one resuscitator call, ten house or trailer fires, sixteen grass and woods fires, and five calls to the dump for fires started accidentally and deliberately by people entering the dump when it was closed. Twenty-three reports of burning without permits and other smokes were checked but not reported as fires.

We received assistance from neighboring Towns and Cities on six fires.

The Fire Department inspects Foster Homes for compliance with existing regulations and issues permits for the installation of oil burners and the storage of fuel oil.

Please do not call the Fire Alarm telephone #664-7700 for burning permits or information.

Sumner A. Hayes, Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Lest we forget — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 — nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times, can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide.

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. **MOST IMPORTANT** — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a combination which leads to destructive loss and can lead to tragedy.

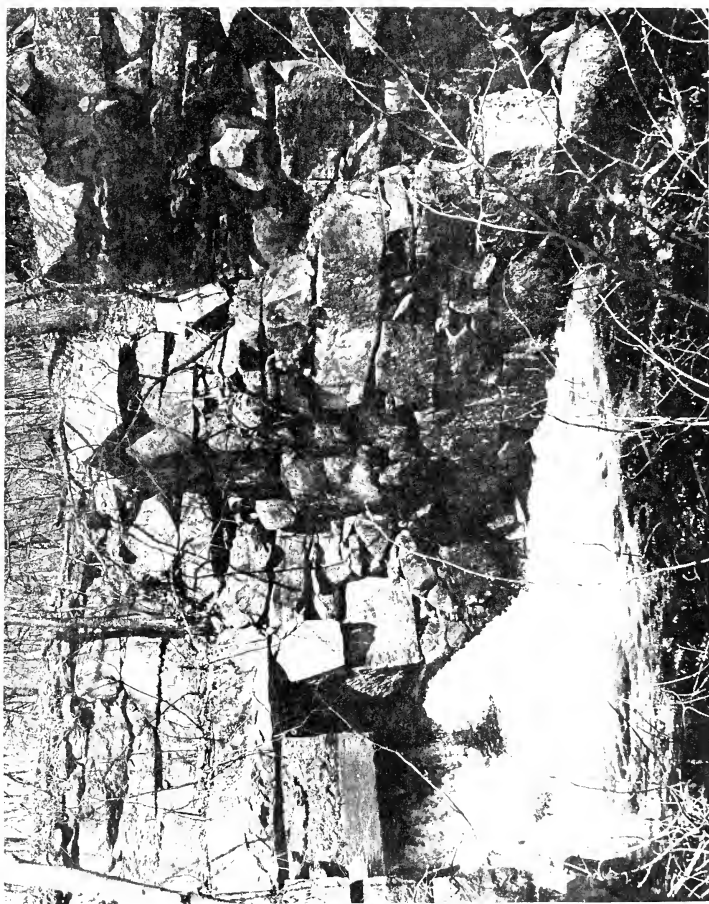

The past year — 1971 — was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered, and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE	—	463 fires	—	160 acres
DISTRICT	—	37 fires	—	27 acres
TOWN	—	5 fires	—	3½ acres

1971 REPORT OF BARRINGTON PUBLIC LIBRARY

During the past year we have added 105 new books and discarded approximately 75 old books. We have had a circulation of 9560, adult and children's books combined.

We have had donations of books from Mrs. Betty Weeks, Mrs. Carol Gillis, Mr. Leo Lowry, and Mr. and Mrs. Raymond Spinney. The Barrington Women's Club has given us a subscription to the "Ranger Rick" magazine which the children are greatly enjoying. We are grateful to the Woman's Club also for the successful food sale they held for the library's benefit. For these gifts the library is very appreciative.

With the help of Mrs. Anna Stabler we have given all the adult non-fiction books their Dewey Decimal numbers. We are now in the process of getting their catalog cards made.

Mrs. Brooks was awarded a scholarship to the UNH summer session for two of the courses in the Library Techniques program. She has now completed four of the required eight courses.

Since the 7th and 8th grades are no longer in the school we are getting by with the two of us. Mrs. Marilyn Smith is kind enough to give of her time whenever we need her.

The library remains open the same number of hours: Wednesdays, 8:30 A.M. to 4 P.M.; and the first Monday of the month, 7-8 P.M. during the school year; and Wednesdays 2-4 P.M. during the summer. We wish it could be open more often but we don't feel that we are able to volunteer any more of our time as matters stand now.

Phyllis Andrade and Ann Brooks
The Librarians

REPORT OF BARRINGTON TOWN LIBRARY TRUSTEE

The Barrington Public Library, for both adults and children, is located in a small room in the Barrington Grade School, and is operated by the Barrington Library Association whose membership is open to any one for \$1.00 per year.

Currently, the library is financed by a town appropriation, a gift from the Barrington Woman's Club, dues, and interest from the capital fund. A new small fund in memory of Mary and Everett Clark has just been established as a separate account. The capital fund is composed of a legacy to the library from the estate of Edna Locke, and the money re-

ceived from the management and sale of the Community House. When subscriptions to the purchase of this house failed to be met, the Library Association maintained and managed it until it seemed best to sell it in 1944. The amount created by the deposit of this sale money has never been drawn upon, but remains available towards a new community house if and when the town builds one.

The greatest problem facing the library is the state law that all librarians, whether in public or private libraries, must be paid the state minimum wage currently and retroactively. There are not sufficient funds available for the association to do this since it is felt that the capital funds must remain intact as stated above. It seems reasonable to appeal to the town for aid in this problem, especially since the town has been relieved of the expense of a school library for many years.

Since the library is a public library, some State aid is available in the form of scholarships for courses in library work; \$100.00 a year for reference books (probably not available again); four meetings a year where new books are exhibited and some reviewed; and the most important of all, the Bookmobile from which a wide variety of books can be secured for lending to local patrons. It should be noted that the Bookmobile serves only public, **not school** libraries. Any Barrington borrower in good standing may secure a Statewide library card enabling him to borrow from any public library in the State without charge.

In order to receive State services, a town must have a town library trustee, and must spend a base amount for books each year. A 1972 requirement will be for the library facilities to be open 15 hours a week, which is not being met at this time, but the library hopes for an extension of time to solve this problem.

Respectfully submitted,
Dorothy B. Berry
Barrington Town Library Trustee

LIBRARY NOTES

Our two librarians are not pushing for the increased payment. It is estimated that they put in about 588 hours per year (together). At \$1.60 per hour, this comes to \$940.00 per year.

The base amount of book purchases for us is \$368.41 per year.

At a June 3 meeting, we discussed the possibility of the library becoming the nucleus for a school library, but the school board could not finance it even if it had been decided upon. We also discussed the possi-

bility of creating a combined town and school library system.

During the summer, the Woman's Club held a food sale netting \$50.00 for library equipment.

Library history is fascinating, beginning with an organization in 1795, when stock was issued with each share enabling a member to borrow two books for eight weeks, and one shilling and six pence operated the association for a year! Early libraries were housed in the church. In the 1920's the library moved to the Community House (opposite the Catholic Church), then to the old Oak Hill School (now the Catholic Church property), and then to the present location when the wing was built. At least one present member has been a member for 55 years.

REPORT OF THE BARRINGTON PLANNING BOARD FOR 1971

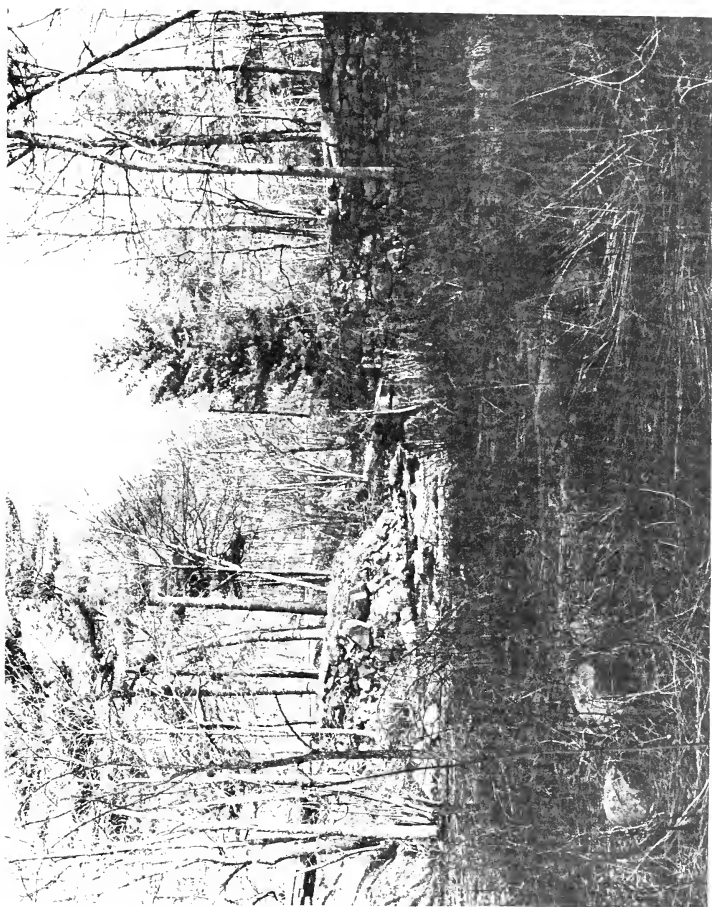

The first meeting of the Barrington Planning Board was held at the Barrington Elementary School on Wednesday, December 23, 1970. Ernest Belleville was elected Chairman and Carl Smith Secretary by the remaining members of the Planning Board, which include William Wallace, Edward Sharon, John Richardson and Kenneth Brown. Russell Fogg, ex-officio member, was also present.

Discussion was then begun concerning a zoning ordinance for the Town of Barrington. Recognizing the vulnerability of Barrington caused by the lack of appropriate ordinances, the proximity to industrial cities, and the prime available land in the Town, it was felt that no time should be wasted in developing a suitable working zoning ordinance applicable to Barrington and our particular problems.

During the first few meetings of the Planning Board, discussion centered around what type of zoning ordinance was needed. It was unanimously decided that the ordinance should be as liberal as possible yet provide for the Town a basis for orderly growth and development.

Zoning ordinances from surrounding towns and cities were obtained and studied and each member of the Planning Board was provided with a reference manual of community planning and development from the Cooperative Extension Services of the Universities of Maine, New Hampshire and Vermont.

Technical and legal points were researched and explanations provided by Anthony McManus, Dover City Attorney. Attorney McManus

helped us several times during the development of the Zoning ordinance, and his services were greatly appreciated.

Also during this time, our calendar was determined. Two public hearings were required before the zoning ordinance could be brought before the Town voters at the regular March Town Meeting. The first public hearing was held January 26, 1971. Several suggestions were made at this hearing concerning possible changes in the ordinance, and at subsequent meetings, these suggestions were discussed and resulted in four revisions to the zoning ordinance.

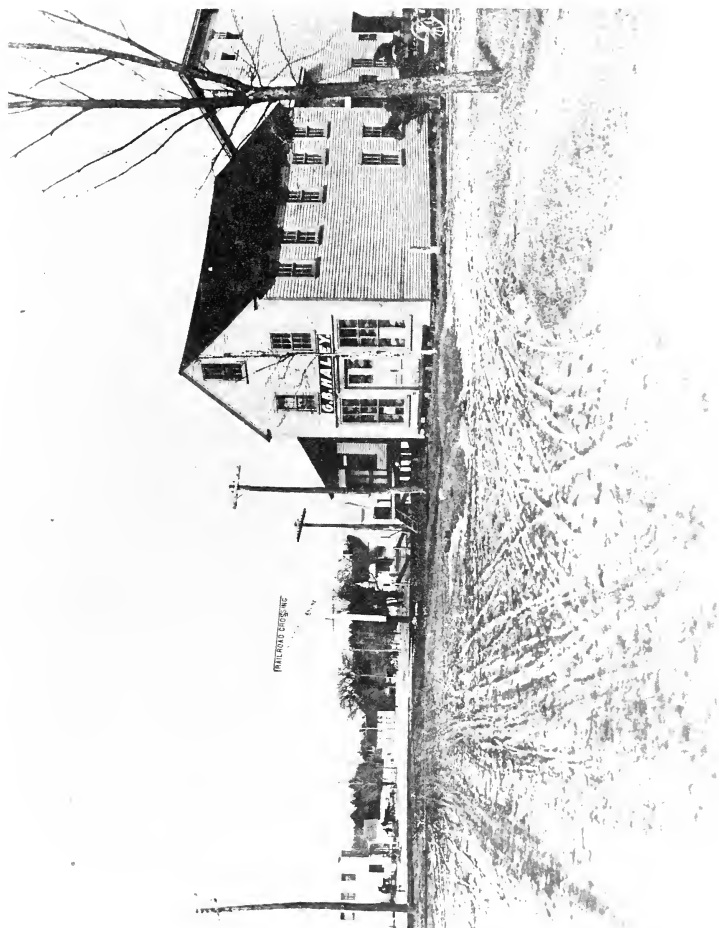

The second public hearing was held February 16, 1971, the purpose being to allow for explanation of the Ordinance and minor changes in grammar and punctuation.

At the annual March Town Meeting, the zoning ordinance was voted upon and defeated by twenty-two votes in an election that saw one of the largest voter turnouts in Barrington history. The interest shown in this vital issue was very encouraging to the Planning Board, and the efforts of all who assisted us were greatly appreciated. We are now currently working on the zoning ordinance again and will present it to you in the near future. Anyone who would want to assist us should contact any member of the Planning Board.

After the March Town Meeting, the Selectmen turned over to us the task of rewriting the building code. The present building code, we were informed, is ambiguous, as it was formerly a zoning ordinance, the title having been changed at a subsequent Town Meeting. Several area contractors were invited to attend our next regular meeting which was held on May 30, 1971. Those attending included Norman Berry, Roger Jennison, Steve and Bill Ward, and Dick Rowell. Copies of the proposed building code were made available and a general discussion followed. Most of the discussion centered around what would require a building permit and what would not, and the price of a permit.

At our next meeting we were joined by a large group of people from the Young Road area. They were most welcome at our meeting, and I would like at this time to inform the entire Town that anyone is welcome to attend our meetings. Our regular meeting is every third Tuesday of the month, and any member of the Planning Board would be able to tell you of a possible change in schedule.

By September, the building code was finished, and the first public hearing was called for September 28, 1971. At the first public hearing, approximately fifty people were in attendance. The building code was read and a general discussion followed. Again, the main topics of discussion were what required a permit, what didn't, and what the price of a permit should be. The result of the first hearing was three revisions to

When Route 125 through town was a railroad. (Courtesy Dr. Waldron Haley)

the code.

The second public hearing was held November 23, 1971. Only five people attended and the meeting was adjourned shortly thereafter.

A special Town Meeting was then called for the purpose of acting upon the proposed building code. The meeting was held December 27, 1971. However, at the meeting, everyone was informed that the Selectmen had failed to make the proper public announcements and the Town Meeting was therefore null and void and no legal business conducted. Therefore, the building code will be voted upon at the annual March Town Meeting.

This concludes the report of the Barrington Planning Board for the fourteen months it has been in existence. It has been an educational experience for all of us.

STATE OF NEW HAMPSHIRE WATER SUPPLY AND POLLUTION CONTROL COMMISSION

The New Hampshire Water Supply and Pollution Control Commission hereby gives notice that Governor Peterson has signed Senate Bill 233 which broadens the jurisdiction of the Commission under Chapter 149-E, Revised Statutes Annotated relating to sewage disposal systems and subdivision of land.

Effective July 1, 1971 all land being subdivided for the purpose of sale, rent, lease, building construction or any other purpose must have prior approval of the Commission.

No building from which waste will be discharged and no waste disposal system can be constructed in the state without prior approval of the plans of the waste disposal system by the Commission.

Previously the law applied only to land located within 1000 feet of any surface water. The amended law now covers the entire state.

Lots in previously laid out subdivisions which are still owned by the developer must be approved by the Commission before they can be sold.

No plans of subdivisions or individual lots need be submitted when municipal sewerage is available, however, plans for extensions of sewerage systems must be submitted by the municipality and approved by the Commission.

THE LAKES REGION ASSOCIATION OF NEW HAMPSHIRE

January 5, 1972

To: Selectmen in the Lakes Region

Dear Sir:

As the Lakes Region Association enters its thirty-seventh year of service to the thirty-one towns and three cities it represents, we face the annual task of appeal to our communities for support of their association. Regional cooperation in economic development as practiced by the Regional Associations in New Hampshire was once most unique, but now several other states have watched the fruits of our efforts and have adopted a similar program for their state. We present herewith our request for your consideration in the preparation of your town's 1972 Budget.

The Regional Associations were set up by the New Hampshire Legislature and limited as to how we can raise our funds. The Legislature felt that a cooperative program of state and regions was the answer and thereby chose by law that towns should support their association. They also limited the amounts to 1/100 of 1% of the town's evaluation.

The Lakes Region Association becomes the catalyst in coordinating action between the State agencies and the local communities, so that the greatest benefits from research, planning, development and promotion can all be realized within our Region.

We certainly hope that your municipality will participate in support of the Lakes Region Association, for it is with the united support of all shoulders to the wheel, that the wheels of progress turn.

You know what new dollars mean to your town. Cooperation with our program brings in more new dollars. Help your town's progress by investing in the Regional programs that help all towns.

Cordially,
Mildred A. Beach, Executive Secretary
The Lakes Region Association

LAKES REGION ASSOCIATION FACT SHEET

1. The Regions were organized by an act of the Legislature in 1935 to promote the economic growth of the state.
2. We are limited by law as to how we can raise our funds and a percentage request of 1/100 of 1% of the town's valuation was set.

3. Since many of our towns depend on tourism for their industrial dollar, we chose to publish an annual booklet telling about each of the towns, including points of interest and advertising by its businesses.

4. In more recent years more of our time and efforts have dealt with problems of Regional Planning, pollution, forestry, ecology legislation and many hours are spent meeting with state and local groups to help solve these problems.

5. Our office has tried to steer its program to one of quality and not quantity as the "Where To" booklet proves. And certainly this is reflected in the money your town receives from the Room and Meals Tax, and upon this revenue alone we ask not even 15% be appropriated into our funds to enlarge this revenue.

6. What does this mean to your taxes as an individual? In most cases not even 25¢.

7. What do our efforts mean if you have a business in the Region? Well, we are working to build a more stable economic system.

8. Last year we did a survey on our visitors and the results were exceptional, as many of you agreed. With 89% of our visitors in the \$8,000 to over \$20,000 a year bracket. We will continue to keep our advertising on an upper level plane so that those who come to enjoy the Region will be an asset to our businesses and not just transients, who leave little.

9. We have already taken delivery of our 1972 "Where To" book and one is being sent to you under separate cover. If you desire another or wish one sent to a friend, just drop us a card, we will be pleased to accommodate you.

10. Following legislative bills and hearings also consume considerable time in the years they are in session.

DOG ORDINANCES -- PROPOSED

Section 1. Prohibiting dogs from running at large.

(a) "Dog" shall be intended to mean both male and female.

(b) "At large" shall be intended to mean off the premises of the owner or keeper, and not under the control of the owner or keeper.

2. No owner or keeper of any dog shall permit such dog to run at large within the Town of Barrington at any time.

3. It shall be the duty of every police officer to apprehend any unlicensed dog, or any dog found running at large, contrary to the provisions of this ordinance, and to impound such dog in a suitable place or cause it to be transported to a veterinarian authorized by the Town to accept such dogs. If such dog has upon it the name or address of the owner, or if such name or address is otherwise known, then the Dog Warden shall notify the owner within twenty-four (24) hours after seizure of such dog. If the dog impounded does not have the name or address of the owner, and if the owner is otherwise unknown, then no notice shall be necessary.

4. The veterinarian shall keep said dog at the expense of the Town for a period of seventy-two (72) hours. If, after such time the dog remains unclaimed then, and in such event, the veterinarian shall dispose of said dog at the expense of said Town.

5. Any owner of a dog, so seized, may reclaim said dog during the seventy-two (72) hour period provided therefor by furnishing proof of a proper license and reimbursing said Town any sum expended for the harboring of said dog.

6. Any unlicensed dog so seized and harbored in the manner herein prescribed, and unclaimed by its owner, may be claimed by any person who will license said dog and reimburse said Town that sum expended for its keep.

7. The Town shall pay for the harboring and disposal of unlicensed dogs, and dogs found running at large, exclusively from the receipts obtained from the sale of dog licenses.

8. Any owner or keeper of a dog found violating any of the provisions of this ordinance shall be punished by a penalty of not less than \$5.00 or more than \$10.00 for each violation.

9. Dog Control Department

(a) The Dog Control Department shall be headed by a special officer to be known as the "Dog Warden" to be appointed by the Selectmen of Barrington and to be under the immediate supervision of the Selectmen. The "Dog Warden" shall have the power to make arrests in the performance of his duties.

(b) The Dog Warden shall perform the following duties –

He shall attend to all complaints or other matters pertaining to dogs; shall investigate and report on all damage caused by dogs; shall enforce the licensing laws and shall enforce all other statutes, ordinances and regulations pertaining to dogs; pick up and dispose of all dead animals found upon public property.

REPORT OF THE DOG OFFICER

During 1971, I processed 120 complaints concerning dogs, and traveled over 900 miles.

Some of the areas covered are listed as follows:

8 cases of dog bites.

Picked up 69 stray dogs

Three were out of town dogs – found their owners.

Found homes for 12 of the dogs.

Took 54 dogs to Rochester Dog Pound

8 dogs were hit by cars. 4 were put to sleep.

Picked up 3 dogs that were shot.

REPORT OF THE BARRINGTON 250th ANNIVERSARY COMMITTEE

The year 1971 started off with much activity in two major areas, that of the coin and the booklet. After two years of research, Dana Caswell, Coin Committee Chairman, Louise Williams and Mary Emhardt, committeemen; reached the point of ironing out the final details of the design of the Commemorative Coin, had dies made, the coins produced and started planning delivery dates. The coins, featuring a scene of the Cate Garrison on one side and the Viscount Barrington on the other, were available for sale before Christmas, as the committee had planned.

Joan White, Anniversary Committee Treasurer, is accepting orders and mailing bronze coins for \$3.25; square lucite bronze paperweights for \$4.75 and silver coins for \$10.50, postpaid. Coins are also available at Calef's Gift Shop, Calef's Country Store, Knight's Garage, and at the Town Clerk's office.

The booklet, which is being prepared by Mary Emhardt and Louise Williams, is nearing completion. It is of a historical nature with numerous pictures of interest throughout the booklet. The booklet will be available prior to the celebration.

Pages for sponsors and patrons will be included in this publication. Anyone wishing to help underwrite and have their support acknowledged, may contact Harlan Calef to obtain the necessary form. Three categories of sponsorship are offered: Patrons — \$20.00; Sponsors — \$10.00; and Memorial Sponsorship — \$15.00. Donations will be accepted through March 31, 1972.

Clyde Goodrich, Publicity Chairman, is working with all committees and representation from each activity committee is requested to provide adequate publicity for the events planned.

Russell Hayes, Parade Chairman, would be glad to have anyone contact him who desires to enter a float or participate in the parade. Applications are also available at Calef's Store, CircleLee Supermarket, Knight's Garage, the Town Clerk's office, and from parade committeemen. Applications are to be returned to Russell Hayes by March 31, 1972. A number of people are needed to help organize the parade as well.

Roberta Knight, Chairman of the Souvenir Committee, has ordered the Commemorative Plates. The design, drawn by Virginia Turner, features scenes of Barrington's legendary and factual history. Ashtrays with a picture of a mill on them and mugs with a Garrison House on them are among the items which are in the process of being made. Wooden nickels and various other salable momentos will also be available for the celebration. Interested people are needed to help in a number of ways on these projects.

Muriel Leocha is Chairman of the Concession Committee. Booths selling handmade items as well as food concessions will be under her direction. A Flea Market Sale will be held under the supervision of this committee during the week of the celebration. Volunteers are needed to work in many areas.

The tentative schedule of events for the Barrington 250th Anniversary Celebration is as follows—

REPORT OF THE RURAL DISTRICT HEALTH COUNCIL

January 1, 1971 - December 31, 1971

The Rural District Health Council continues to provide visiting nurse service to the member towns: Northwood, Nottingham, Deerfield, Barrington, Strafford, Middleton and New Durham. The nurses have continued to provide nursing services to patients needing care and have expanded the Family Planning Program to include all of the towns of the Council. In April, with the assistance of Mrs. Mary Caminati, N.H. Public Health Nurse, a Child Health Conference was started at the Community Center in Deerfield to provide physical examinations and immunizations for preschool children in the towns of Northwood, Nottingham and Deerfield. If indicated, the children are referred to other services. The attending physician at the monthly conference is Dr. William Whitney of Exeter. In September, with the aid of Mrs. Muriel Morin, N.H. Public Health Nurse, a monthly Child Health Conference was started at the Town Hall in New Durham for the towns of New Durham and Middleton with Dr. Wendy Tinklepaugh of Amherst, N.H., as attending physician. We are hoping to establish a Child Health Conference for Barrington and Strafford in the spring of 1972.

The following statistical report covers the year of 1971 -

Total number of visits - **1543**

Barrington - 271	Northwood - 185
Strafford - 163	Nottingham - 111
New Durham- 272	Deerfield - 249
Middleton - 292	

Total number of visits to Child Health Conferences - **320**

Northwood	Nottingham	Deerfield	Middleton	New Durham

Number of children attending conference -

37	33	57	15	37
----	----	----	----	----

Number of families represented at conference -

16	18	28	10	12
----	----	----	----	----

We are very fortunate to have Miss Arlene Thorne covering the Strafford County towns and Mrs. Madeline Sullivan in the Rockingham County towns. These two nurses are very dedicated to their duties and provide excellent nursing care for the people of the Rural District Health Council.

The Rural District Health Council has been supported by the funds

contributed by the towns at a rate of \$1.00 per capita, a state grant and fees for service.

Anyone interested in the program or needing the service is asked to contact the Portsmouth Rehabilitation Center — Tel. 436-5716 or a representative of the Rural District Health Council in your town.

ANNUAL SCHOOL MEETING

Barrington, N.H.

March 8, 1971

The annual School Meeting of the town of Barrington, held at the Barrington Grade School on March 8, 1971 was called to order at 8:00 P.M. by the Clerk in the absence of the Moderator. Mrs. Audrey Guptill served as Clerk pro-tem. The Clerk asked for nominations from the floor for Moderator to serve for the evening. George Musler was nominated and elected. He then appeared before me and took the oath of office. The Moderator then read the warrant.

Because of the nature of the first warrant, the second warrant was acted upon first.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Barrington, qualified to vote in district affairs:

You are hereby notified to meet at the Barrington School in said district on the 6th day of March, 1972, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

3. To choose agents and committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

5. To see if the District will appropriate the sum of \$41.00 for payment of Child Benefit Services provided by the School District of Dover to students who are residents of this school district and who attend Saint Thomas Aquinas High School, and further authorize the school board to apply for any grant from the State as provided under RSA 198:22.

6. To see if the District will:

a. Approve the dual enrollment plan between the district and the Saint Thomas Aquinas High School, said plan to be educational offerings as subsequently listed for approximately two students at Saint Thomas Aquinas High School for the school year 1972-73: Algebra, Math 9, Geometry, Biology, Advanced Biology, Physics, Electronics, Art, and Physical Education. The faculty will consist of an administrative staff and 8 1/5th teachers; and which plan shall be administered by the School District of Dover; and further authorize the School Board to sign any necessary agreement to implement the program.

b. Authorize the School Board to assign certain students, who are residents of the district, to the dual enrollment classes administered by the School District of Dover and further authorize the School Board to

make such contractual arrangements that may be necessary to implement the said assignment of students.

c. Appropriate the sum of \$738.00 for the payment of the cost of tuition incurred by the assignment of said students to the dual enrollment program administered by the School District of Dover at the Saint Thomas Aquinas High School and to authorize the School Board to apply for any grants under RSA 198:21, which funds will be credited to the District.

7. To see if the District will vote to instruct its representatives to the General Court to seek alternatives to the property tax as the major means of financing public schools in New Hampshire. (by petition)

8. To transact any other business which may legally come before this meeting.

Given under our hands at said Barrington this 14th day of February, 1972.

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Barrington School District:

In September of 1971, the Barrington Grade School was organized as indicated below.

GRADE	TEACHERS
1	Mrs. Jenneke M. Finlay, Mrs. Ethel Mazza
2	Mrs. Janet Sawyer, Mrs. Sallie Ransom
3	Miss Catherine Harmon, Mrs. Jane Weiland
4	Mrs. Pauline Hayes, Mrs. Sandra Mann (replaced Miss Susan Fraser)
5	Mrs. Sarah Huckins, Miss Carolyn Marpes
6	Mr. J. Rogers Howard, Mr. John Davison, Jr.
Principal	Mr. Barry Clough

	OTHER STAFF MEMBERS
School Nurse	Mrs. June Colby, R.N.
Teacher Aides*	Mrs. Esther Drew, Mrs. Marjorie Meilke
Volunteers	Mrs. Dorothy Fitzgerald, Mrs. Patricia Leffel, and Mrs. Nancy Anderson
Custodian	Mr. Calvin Swain
School Lunch Manager	Mrs. Lorraine Cossette
Lunch Program Workers	Mrs. Ruth Wormell, Mrs. Sarah Brown
*Federally funded under Elementary and Secondary Education Act, Title 1.	

In September 1971, the Barrington Grade School enrolled 311 pupils. This was an increase of 9.7% over the corresponding grades in 1970, when 282 pupils were registered. The Grade assignments are shown below.

Grade	1	2	3	4	5	6	Total
Number Enrolled	53	52	47	56	56	47	311

Barrington School District pupils attending schools in other districts were numbered as indicated below in September of 1971.

School Attended	7	8	Grade				Total Number	Tuition Rate
			9	10	11	12		
Rochester Junior High	27	40					67	\$ 554.00
Spaulding High School			49	33	24	10	116	596.00
Dover High School					3	9	12	965.00
Dover Area Vocational School			3	5	5	5	18	965.00
Oyster River High School			2		2		4	1125.00
	27	40	54	38	34	24	217	

In addition to the above, there was one student registered at Great Bay School and Training Center and one student at the Special Class in the Oyster River School District.

ENROLLMENT

Even though the Rochester AREA School was implemented in July of 1971, the enrollment in the Barrington Grade School continues to increase. With the seventh and eighth grade pupils attending school in Rochester, it was possible to house pupils in the regular classrooms, thus doing away with the make-shift arrangements which had been needed. If one follows the guide lines of the Minimum Standards for Elementary Schools, there is space to house 13 more pupils in the grade three classrooms, four more in the grade four classrooms, four more in the grade five classrooms, and 13 more in the grade six classrooms. These figures would also agree with the teacher-pupil ratio of the Minimum Standards.

LEGISLATION

Two pieces of legislation were passed by the 1971 General Court which have an important implication for the local school districts. These acts related to health and to the education of handicapped children. The law relating to health makes it mandatory, among other things, for all children entering the public schools to pass a medical examination, and also requires that all personnel coming into contact with the pupils pass a physical periodically. The School Board is currently developing a policy relating to these matters. The law relating to handicapped children now classifies the intellectually handicapped and the emotionally handicapped with the physically handicapped for educational purposes. The school district must provide an education for all of the foregoing either through the establishment of special classes or by tuitioning individuals to approved schools at district expense. As can be readily seen, both of these acts impose additional financial burdens upon the local school district.

STAFF

It is felt that the quality of the teaching and supporting staff of the Barrington School has been upgraded this year. It is the intention of the School Board and the administration to continue to work toward the further growth and development of the staff.

In any discussion of professional staff, it must be noted that the number of qualified candidates has increased in the past year. There is more competition for available positions and candidates competing for the positions seem to be better prepared to enter the profession. However, there still is a shortage of teachers for the primary grades, for science, and for mathematics.

TRANSPORTATION

The implementation of the AREA plan has presented the school with problems relating to transportation which it has not had in the past. These have been further complicated by the necessity of transporting pupils to and from the double sessions in the Rochester Junior High School and the Spaulding High School. It is not known at this time how long double sessions will be necessary, but it is likely that there will not be any relief until the school housing problems in Rochester become less pressing. It is doubtful that the need of double runs will have added to the costs of transportation, as more busses would be needed if all of the students were being transported at the same time.

SCHOOL COSTS

Even though the School Board is making every effort within its power to prevent an increase in school costs, there are a number of forces at work over which it has no control. Included in these pressures are continued inflation, the decrease in state financial support of local efforts, and the increasing number of children who become eligible for education at public expense. Even the state and federal court cases which indicate that there is no equality of educational opportunity where support is based upon the property tax do not have an alternative to offer. These cases only seem to indicate that the state should collect real estate taxes and redistribute the proceeds equally. It would thus be possible to collect property taxes in the "rich" towns and give some of the revenue thus raised to the "poor" towns.

In closing, we would like to express our appreciation for the cooperation received from the people, the school board members, the pupils and the staff.

Respectfully submitted,

CHARLES H. MORGAN
Superintendent

REPORT OF THE PRINCIPAL

To the Citizens of Barrington:

During the 1800's, American society was still basically agrarian in nature and as the summer months approached, schools would close and the children would assume responsibilities on the family farm. One problem which was created by this situation was that the length of the school year would vary from town to town. The state Superintendent of Public Instruction became quite concerned, since the amount of schooling that a child received depended upon the town in which he lived. In his annual report for 1876, the Superintendent stated that, "These striking differences in the average amount of schooling in various towns are the legitimate results of the unequal distribution of population and wealth in the state."

The General Court, in its wisdom, has since eliminated the problem with the passage of a law which requires all schools in the state to be in session a minimum of 180 days. But the problem of the unequal distribution of wealth for the support of schools is still with us, and urgently needs our attention. It is for this reason that I propose to share with you a few opinions on the problems of school finance and school organization, as opposed to reporting that we began the school year with 301 pupils, etc., etc., etc.

In New Hampshire, approximately 93% of all the monies raised to support schools comes from the property tax, or that "unequal distribution of wealth" cited as a problem back in 1876. Yet the problem is not unique to New Hampshire. On the average, local communities across the nation pay 52% of all public school costs, most of which is raised through the property tax. We cannot continue to live with such a disproportionate and unfair burden placed upon the property owner. New sources of revenue should be found with which to support our schools. It has been stated that no more than 20% of the costs of supporting our schools should come from the property tax, and that the remaining 80% be distributed to local communities by the state and federal governments.

The Fall of 1971 has seen the Supreme Courts of four states declare that to support schools through the use of property taxes is unconstitutional. In New Hampshire, we have a suit pending in the Federal District Court to resolve the same issue.

President Nixon, in his State of the Union address, called the property tax "one of the most oppressive and discriminatory of all taxes." Clearly, the time has come for all of us, educators, taxpayers, and parents to re-evaluate our present methods of financing schools.

But to simply re-evaluate our present methods of financing schools

Hale Schoolhouse at the foot of Mt. Misery.

(Courtesy Mrs. Frank Critchett)

is not enough. We must also address ourselves to the problem of organizing our school year in an efficient manner. In Atlanta, Georgia, the four-quarter system (running the schools throughout the year) has been successfully placed in operation. And in Lockport, Illinois, the 45-15 Year Round School Plan commenced in June of 1970. We should seriously study these plans with the thought of eventually implementing a similar proposal in New Hampshire. Effective use of our present buildings would go far toward eliminating costly building programs and thus free funds for other pressing social needs, such as pollution abatement, highway safety, crime prevention, drug abuse, a national health plan, and regional planning.

It would seem that the problems facing our schools, and hence our society as a whole, can be resolved if both creative leadership and the desire to *find a solution* are applied.

Barry L. Clough

SCHOOL NURSE REPORT — 1971

After a bad start last winter we closed the school for one week in February with 30% of students absent due to illness, which included Measles, Mumps, Flu and one case of Hepatitis.

Physicals were completed for each child and notices sent to parents regarding any defects noted.

The Matching Funds Dental Clinic completed work on 12 children.

The film "The Story of Menstruation" was shown to the 5th and 6th grade girls and their mothers, followed by a discussion period.

A Rubella (German Measles) Clinic was held in April with 31 students and 10 pre-schoolers receiving the vaccine by Dr. Wilson, assisted by Miss Moran, P.H.N., and volunteer mothers.

Pre-school Vision and Hearing Tests were given to 20 children — 5 unsuccessful and 2 defects.

On Pre-school Registration Day in April, 38 children were checked, with 9 vaccinations still to be given, 3 vision defects, 1 known hearing problem, and 8 dental defects hopefully to be corrected before September.

When school started the Fall term, we were disappointed to find our application for the Matching Funds Dental Clinic had not been accepted by the State for this year, but a Dental Education Program was carried out in the class rooms by the State Dental Hygienists with lectures, demonstrations and film strips.

Our first grade teachers have encouraged their students to bring tooth brushes to school to be used after lunch. Brushes and paste were given to those without them.

Poison Ivy is still a problem but children are not contacting it at school this year, since the grounds were sprayed.

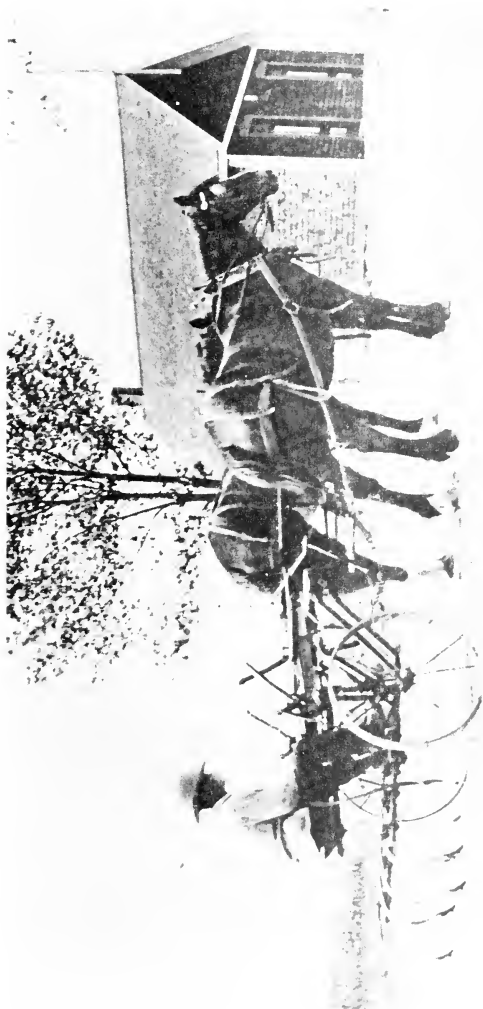

Most vision defects noted are corrected as soon as possible, but our greatest defect, dental caries, seems to be neglected in the greatest number of cases. A severe tooth ache, then extraction, seems to be the rule, rather than small cavities taken care of as they appear, with the least amount of pain and expense, in the long run.

In December we conducted another Vision and Hearing Screening at the Congregational Church with 23 pre-schoolers tested— two vision referrals and six hearing referrals. Six volunteer mothers were trained for this clinic under the direction of Mrs. Natalie Smith, R.N. of the H.E.W. Dept. in Concord. This clinic will be conducted annually.

There are now 8 students taking medication for hyperactivity, under family physician's prescription.

My thanks to the staff at Barrington School for their cooperation and also to all the "volunteer mothers" who come forth whenever needed.

June V. Colby, R.N.
